

Horizon West Middle School

Winter End of Semester Testing

December 7th – December 10th

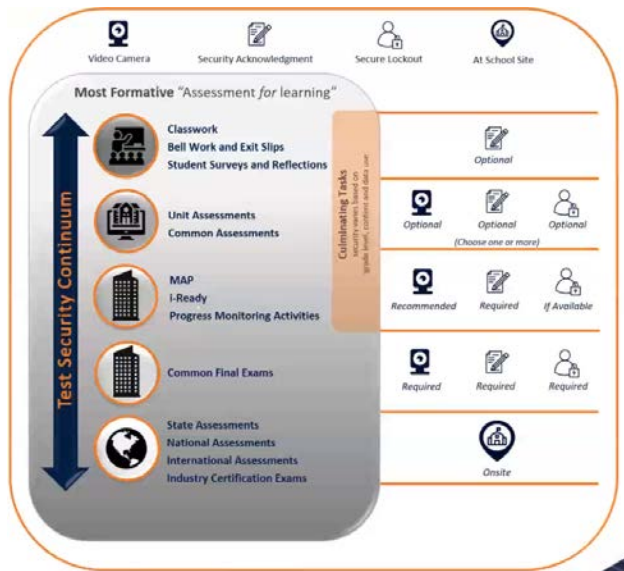

As we approach the end of the first semester, students will be taking Common Final Exams (CFE), Performance Matters Activities (PMA), and the iReady Diagnostic 2 for Math and Reading for some of their classes.

Due to the volume of assessments at this time Horizon West Middle School will shift to a modified block schedule from December 7th to December 10th. (Schedule posted below)

Launched@Home students will be taking the above assessments virtually. Students that will be taking CFEs at home are required to share their cameras to recreate the in-person proctoring experience, similar to during state and national testing. OCPS employees will conduct all online monitoring.

Parents, if your Launched student cannot or will not share their camera during the CFE administration, we need you to fill out this short CFE Camera Information form at camera.ocps.net by noon, Friday, November 20. It will ask whether your Launched student needs to report any camera-functionality issues, or if you opt not to share the student's camera.

If a student opts not to share their camera during testing nor test on campus, they will receive a score of a 59 on the exam for now, but can make up the exam during Spring CFE testing sessions in May.

December 7th – December 10th will be our end of semester testing days. It is important that all students attend class on each of these days to make sure that they do not miss this important testing. Each day the bell schedules will be modified and all students will follow the schedules below. Periods highlighted in YELLOW will be the extended periods where students will be taking the assessment associated with that course. If you have any questions in regards to a particular courses tests, please email your child's teacher.

Horizon West Middle School
Winter Block Schedule 2020
Monday - December 7

6th Grade		7th Grade		8th Grade	
Period	Lunch A	Period	Lunch B	Period	Lunch C
